

Sunday, April 5  
10:30 am

Conference Room B  
Free & Open to the Public

presented by the **Tycher Library**

# Mark Werner,

Author of *Army Fatigues:  
Joining Israel's Army of  
International Volunteers*

## Learn about:

- What motivates an average American to make a bold move in order to contribute to Israel
- Real life in the Israeli army barracks and the various types of work IDF soldiers perform on a daily basis.
- Living in Israel during stressful times and how Israeli civilians cope during tense times such as the second intifada and almost daily bombings.
- What does an individual gain from an extraordinary experience such as this one?

## Hear What Reviewers Are Raving About

*Mark Werner has written a book that will fascinate and delight those who love Israel.*

Martin Gilbert  
Merton College  
Oxford University

*Army Fatigues* is a sort of "City Slickers" with a Jewish twist that will tug at the heart of any committed Jew.

Rabbi Joseph Telushkin  
Author of *Jewish Literacy*
